

## WHY THE WATER RATE INCREASES

- Maintaining two aging water tanks
- Fuel costs increasing
- Fire Hydrant replacement costs
- Chemicals for the treatment of water has risen significantly
- Water wells redevelopment
- Vehicle replacement cost
- Property and Vehicle Insurance costs
- Electric & Gas costs
- Suppliers and Vendors increased costs passed on to us for maintenance and operation of the Water System

## RATE COMPARISON TO OTHER MUNICIPALITIES

	<u>In Village</u>	<u>Out Village</u>	
Clinton	\$13.00	\$26.00	(Old Rates)
Clinton	\$17.00	\$34.00	(New Rates)
Clayville	\$20.72	\$41.44
